This specification sheet replaces any copies in your possession

The values indicated in this sheet refer to the leather at the time of supply. Once the leather has been processed, cut or marked we can no longer guarantee the same values.

V.010117

Care information: To give you years of enjoyment from your leather furniture please observe the following:

- Avoid exposing your furniture to direct sunlight or direct heat.
- Avoid sharp objects such as studs, buckles & zips coming into contact with the furniture.
- Dust and vacuum your furniture regularly
- Wipe off stains and spills immediately with a soft, lightly damp cloth taking care not to soak the leather.
- Leather these days do not need to be fed and the use of saddle soap or wax polishes should be avoided, especially spray polishes.
- Use of general household cleaning products, chemicals and abrasives are not recommended as they can breakdown the protective surface and cause damage.
- Do not use any method or product not recommended by the manufacturer.
